Michael Garrison, Assistant Superintendent
Larry Stark, Assistant Superintendent

Dear Parent/Guardian:

Whooping cough, also known as pertussis, continues to threaten students in California. To help stop its spread, all incoming 7th graders are required by law to have proof of a whooping cough booster ('Tdap') shot, or file an exemption, in order to attend classes this year. Students will not be allowed to attend classes without a shot record.

We need a booster shot record from your child who will be entering the 7th grade next year. If your child hasn't had a booster shot yet, please schedule an appointment immediately with your regular doctor. Vaccine may also be available at:

Placer County Immunization Clinic	Mondays
1130 Conroy Lane, Suite 402	8:30 a.m.-Noon
Roseville, California	1:00-4:00 p.m.
916-784-6444	Cost: \$9.00

Placer County Immunization Clinic	Fridays
11584 B Avenue	8:30 a.m.-Noon
Auburn, California	1:00-4:00 p.m.
530-889-7172	Cost: \$9.00

If your child, who will be entering the 7th grade next Fall, has already received the booster shot, please give us a copy of the shot record by March 2, 2012.

Feel free to call your local school office with any questions or concerns.

Thank you,
Bonnie Magnetti, R.N.
Health Services Supervisor
